

More benefits than you planned for.

FEDERATION ASSOCIATION BENEFIT PLAN

The Federation Association Benefit Plan (FABP) has been successfully serving member agencies in the community social services sector since 1983, through Schmunk Gatt Smith & Associates, in partnership with the Federation of Community Social Services of BC.

The FABP is the longest standing fully insured plan, underwritten by Pacific Blue Cross and BC Life. It provides social services organizations with the most comprehensive employee benefits – at rates unequalled in the sector.

These strong relationships provide long-term rate stability – that's peace of mind.

In business since 1975, Schmunk Gatt Smith & Associates knows its way around benefit plan initiatives. We've developed and customized plans for both unionized and non-unionized agencies. We understand that a benefit plan doesn't really feel like much of a "benefit," when it comes

with a whole bunch of headaches. So as we've grown, we've maintained that personalized service – meaning there's a person on the end of the line when you call, ready to set up a meeting with a dedicated advisor.

The Federation Association Benefit Plan includes:

- Basic Life Insurance
- Accidental Death & Dismemberment
- Dependent Life Insurance
- Long Term Disability
- Short Term Disability
- Critical Illness
- Extended Health Care Plan
- Dental Care Plan
- Employee Assistance Program
- Early Intervention Plan
- Claims Review Committee
- Rehabilitation Review Committee

Schmunk Gatt Smith & Associates have been representing our agency for several years, providing a fully satisfactory group benefits package for our employees. We appreciate the exceptional service and look forward to continuing our business relationship, confident that our employees' health and welfare benefits are well taken care of.
